Rep. Goupil, Christine
Written Testimony - OPPOSE SB 16

Thank you for this opportunity. I would respectfully ask that you oppose SB 16.
So much of this bill only infringes on people's rights.

This should be two separate bills. Being tough on gun crime and juvenile crime are different than putting more burden on lawful gun owners who constantly have to bend over backwards to follow the law, while the majority of gun related crime is committed by repeat offenders who regularly have firearms charges dropped

Please also **OPPOSE** H.B. No. 5416

Please **SUPPORT** the following bills: S.B. No. 388, H.B. No. 5415 and H.B. No. 5412

Thank you again,

Jeff Caporaso
